Lab casework, classroom, and other institutional applications call for reliable products that provide durability. The models selected for these applications are all tested to a minimum of 50,000 cycles in accordance with the guidelines of applicable ANSI/BHMA specifications. These slides have the versatility to manage a wide range of drawer sizes and demanding commercial conditions.

MODEL	LOAD	DRAWER WIDTH	APPLICATION BENEFIT
3132EC*	100 lbs.	30"	The Eclipse, Easy-Close, is a premium concealed solution that brings drawers to a fluid, gentle close.
3832 SC* 3834 SC	100 lbs.	16"	These medium-duty slides fit most box drawers and the self-closing feature efficiently keeps drawers closed and aligned. Model 3834 offers over travel.
3832TR	100 lbs.	16"	These slides keep drawers or shelves in a closed position until activated by touch.
364I	180 lbs.	42"	Heavy or wide files and credenza drawers are safer with this product's interlock feature that allows only one drawer to open at a time. This product also interfaces with a central locking system.
9301*	150–500 lbs.	Varies according to usage	Heavy-duty storage bins and display rack platforms are easily carried by the 9301. This model may also be flat-mounted and an optional bracket kit adds additional mounting flexibility.
